

Energy and Environmental Engineering Scholarship 2017/18

Programme Enrollment Scholarship (PES)

Offering of PES

- The Energy and Environmental Engineering (EEEN) Programme will offer Programme Enrollment Scholarships (PES) ranging from HK\$10,000 to HK\$20,000 each to second-year students majoring in EEEN in 2017/18.
- This offering of scholarships is aimed at encouraging students with strong interest and good academic standings to enroll in the EEEN Programme.

Conditions and Terms

- Each PES is tenable for one year.
- Applicants may be invited for in-person interviews.
- The actual amount of scholarship awarded to individual awardee will be decided by a Committee formed by the Programme.

Eligibility

An applicant should:

- be majoring in EEEN by the time of application;
- have strong enthusiasm in the studies of Energy and Environmental Engineering;
- a) have attained a Cumulative GPA of 3.00 or above in the academic year 2016/17; or
b) have attained a Cumulative GPA between 2.50 to 2.99 in the academic year 2016/17 and is in strong financial needs.

Application Procedures

Please submit the following documents to Ms. Yuet Lin KAN at email: ylkan@mae.cuhk.edu.hk:

- Personal resume;
- Academic results at CUHK;
- Applicant with strong financial needs should include a brief description (in Chinese or English) of his/her financial situation;
- Any other supplementary information, such as transcripts of HKDSE, other public examination results, or any other achievements.

Closing Date for Application

5:30 p.m., 29 September 2017 (Friday)

Announcement of Results

The interviews and announcement of outcome will be in October/November 2017.
